

Limited Term Employment Opportunity

**Mine Safety Trainer
(Mine Safety Inspector 3)
Department of Commerce
Safety and Buildings Division
Bureau of Field Operations
Location: Madison**

A Limited Term Employee (LTE) opportunity to deliver mine safety and/or first aid training courses primarily to sand, gravel, crushed stone, lime and dimension stone industries in Wisconsin. Candidate must be knowledgeable and capable of delivering MSHA Part 46 Annual Refresher Training. Topics covered include the following: statutory rights of miners, respiratory devices, introduction to the work environment, hazard recognition and avoidance, first aid, transportation and communications, emergency operations, ground control, electrical hazards, health hazards, explosives and prevention of accidents.

Ability to provide first aid training that meet the following is desirable: patient assessment, artificial ventilation, control of bleeding, control of shock, wounds and dressings, burns and scalds, and musculoskeletal injuries, and handling and transportation. Must be certified by MSHA (Mine Safety and Health Administration) or have an equivalent certificate (American Red Cross, National Safety Council, Wisconsin Council of Safety, etc.). Proof of this certification must be submitted with your application.

The courses are held at various locations throughout the state. Training will be delivered between the months of January 2001 through March 2001. This position will pay \$16.383 per hour for a maximum accumulation of 1,043 hours and normally work 24 hours per week. Candidate must have a valid Wisconsin driver's license.

If interested please send a resume and letter of interest to Sharon Kruschek at Commerce-S&B-Field Operations Bureau, PO Box 2538, Madison, WI 53701-2538. Resume and letter of interest must be received by Thursday November 30, 2000.

Sincerely,

William Brann, Section Chief
S&B-Field Operations Bureau
